New Endowment Fund Established at Marshall County Community Foundation

The Board of Directors of the Marshall County Community Foundation is pleased to announce the establishment of a new pass-through endowment fund.

- The **Michael Noel Magee Scholarship Fund**, which will provide a one-time scholarship to a graduate of the Plymouth High School Class of 2018 who will attend a four year college or university. This is an open community fund and contributions are encouraged from anyone.

Jack and Mary Kay Davis, of Plymouth, Indiana are the founders of the Michael Noel Magee Scholarship Fund and are the maternal grandparents. They stated, "We have decided that during the next eight years we are going to work to raise enough money to give a substantial scholarship to a student who will graduate in what would have been Noel's class. Part of the criteria for the recipient will be that the individual or their family has faced hardship during the student's life and have kept working to overcome it. We believe Noel was our angel and it is our time to do whatever we can to be an angel for someone else."

Jack and Mary Kay are currently on an adventure of riding their bikes back to Plymouth from a Memorial Day visit with family in Denver Colorado. They will raise funds for the endowment fund along the way. Those interested in following their journey can do so at www.spokinhome.com and donations to the scholarship fund can be made on-line at www.marshallcountycf.org.

The mission of the Marshall County Community Foundation is to serve all of Marshall County, its people and its future through the growth and administration of endowment funding and philanthropy.
